

# Completing a Homeschool Evaluation: In-Person

You have just chosen a stress-free way to meet the state requirements for Florida Homeschooers. You have already done the hard work throughout the school year, let me help you make this process as easy as possible.

## **Before your evaluation:**

Set up a date and time for your annual evaluation for you and your child to meet with me. My office is located inside of Pringle Education Services:

**1135 S. Washington Avenue, Titusville, FL 32780.**

I know homeschooling can be very busy, and I want to work with your schedule! Please use [brevardevaluations.com](http://brevardevaluations.com) to view my availability calendar and book your appointment, if you have not done so already.

## **I will need you to bring:**

- Actual student work from each subject representing the beginning, middle, and end of the school year. Sample work or planner needs to be dated. Projects, reports, outside classes, field trips,...anything that shows what you did during the year.
- Any tests, grades from FLVS, Khan Academy, Time4Learning, or other online platform, or homeschool co-op classes. Print out grades, skills mastered or percentage complete or bring a laptop to show me.
- Unschoolers - activities still need to be documented with dates and descriptions and/or pictures.
- The School Board also requires a list of books read to or by each student. I do not need to see this, but please be aware of it, if you do not already have one prepared.

## **During your evaluation, I will ask for:**

- Student full name, birthdate (mm/dd/yyyy), grade level completed
- Parent/Guardian full name(s)
- Complete address where student lives (on file with the school board)

- Your email address
- A verbal discussion of curriculum/method used for each student for each subject
- This may include, but not limited to: title of the curriculum/method, strengths and struggling areas
- Discuss your plan for upcoming year (any areas you need help, curriculum suggestions, graduation)
- Any questions/comments regarding anything (evaluations, legalities, curriculums, learning styles, exceptionalities, groups, challenges, Bright futures, Dual Enrollment, etc....), please do not hesitate to ask. *Think of me as a "Homeschool Mentor/Coach" here to serve you & your family!*

### **At the end of your evaluation:**

I will fill out your original evaluation for you to send directly to the school board. I may email other suggestions and websites that we discuss during our session.

Please consider following my Facebook page ["Brevard Homeschool Evaluations"](#) for more tips/advice/links/resources during the year.

Leaving a review on [Google](#) also helps me grow my home business. 😊
